EDUCATION

Bachelor of Computer Application Institute of Technology and Science 2023 - 2026	74.8%
Senior Secondary (12th Std) Greenfields Public School 2023	78.6%
Secondary (10th Std) Greenfields Public School 2021	85.8%

INTERNSHIP

Web Developer Intern <i>Codec Technologies</i>	August 2025 – October 2025
Gained hands-on experience in front-end and full-stack web development using modern web technologies, strengthened skills in component-based development, API integration, and responsive web design.	
Developed two major projects during the internship:	
• Real-Time Chat Application: Built using React, Tailwind CSS, and Socket.IO for instant messaging and responsive UI.	
• Job Portal System: Developed using React, Tailwind CSS, and Firebase with authentication and real-time job listing features.	

CERTIFICATIONS AND TRAINING

- C++ Master Course – *Coding Blocks*
- SQL Certification – *HackerRank*
- The Complete Agentic AI Engineering – *Udemy*
- Front-End Web Development – *Udemy*

LANGUAGES

English, Hindi

SKILLS

Programming Languages: C, C++, Python, Java
Development: HTML, CSS, JavaScript, Tailwind CSS, React.js Node.js, Express.js, MongoDB
Development Tools: Turbo C++, VS Code
Core Skills: Web Development, DSA
180+ Leetcode Problems Solved

PROJECTS

Eventora – Event Booking & Management Platform
○ Developed a Full Stack MERN Event Booking Platform using React.js, Node.js, Express.js and MongoDB. ○ Implemented JWT-based Authentication with secure role-based authorization for Users and Admins. ○ Built responsive UI using React.js and Tailwind CSS for seamless user experience across devices. ○ Developed RESTful APIs following MVC architecture for events, bookings, users and OTP management.
AI Weather Reporter
○ Built a responsive AI-powered web application that delivers personalized weather reports via email. ○ The app allows users to input their name, email, location and then sends a detailed weather details for the entered location to the user's email address.

Portfolio Website

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase my web development projects and skills.
- Utilized CSS Flexbox and Grid for layout design, ensuring the website is fully responsive and visually appealing on all devices.
